This money is used to help purchase drill writing and music arrangement services along with other needs of the marching band not met by the school district. The suggested donation amount is \$80.00 per student or whatever you can afford to pledge towards our program. Your donations are extremely appreciated! These amounts are NOT seen by anyone other than the band treasurer....I do not see this list at any point during the year.*

*\*\*\*Lisa Loveland and other parents will be providing brown bag lunch/dinners again at the competitions. There will be a minimum - sandwich, fruit and water. This \$10 will cover meals at Waseca, Sioux City (2) , Festival of Bands (2) and Orange City*
