If you are a new member, the items you will need to purchase the first year are marching shoes, t-shirt (one or the other), dry cleaning and gloves. Everything else is optional and as needed.

**This is a voluntary annual donation to help assist the marching band program. This money is used to help purchase drill writing and music arrangement services along with other needs of the marching band not met by the school district. The suggested donation amount is \$80.00 per student or whatever you can afford to pledge towards our program. Your donations are extremely appreciated! These amounts are NOT seen by anyone other than the band treasurer....I do not see this list at any point during the year.*
