If you are a returning member, the only three things you need to purchase are the t-shirt, uniform dry cleaning, and the drill book. If you are a new member, you will need to purchase ALL of these items for your section.

**This is a voluntary annual donation to help assist the marching band program. This money is used to help purchase drill writing and music arrangement services along with other needs of the marching band not met by the school district. The suggested donation amount is \$80.00 per student or whatever you can afford to pledge towards our program. Your donations are extremely appreciated! These amounts are NOT seen by anyone other than the band treasurer....I do not see this list at any point during the year.*
